### **List-Serve Purpose:**

Uprooting Lyme is a nature-based healing approach dedicated to the diagnosis and treatment of chronic infectious and environmental toxin-driven illnesses. Uprooting Lyme promotes understanding of these diseases through nature connection, research, education, and clinical experience. We strongly support innovation in patient care through open dialogue and the sharing of experience and insight in this safe container of like-minded healthcare professionals dedicated to creating the future of natural medicine in the here and now.

The views, statements, and opinions expressed on this forum by its members do not necessarily represent nor reflect the views of Hillary Thing and Uprooting Lyme.

### ***Posting Guidelines***

- This group discussion is for the use of Uprooting Lyme Practitioner Members only.
- The purpose of this group is to provide a forum for the exchange of information and ideas regarding the treatment of disease, and the cultivation of vitality.
- To maintain privacy and confidentiality, DO NOT discuss or share emails or parts of emails with anyone outside this group.

- Maintain patient confidentiality if discussing a specific case.
- We do not allow way-off-topic discussions, disrespectful exchanges, or material that would be considered inappropriate to a mixed professional discussion group.
